210 page paperback; \$12.95 (Feb 2009) ISBN:

On the wild ocean coast of Washington State you'll find enormous sea stacks at Point of Arches, Shi Shi Beach. The rocks loom high and dark over the water, like the backs of ancient mythical creatures. When Jaxon and Allie encounter the Shi Shi dragons, they are quickly befriended by the whole family. But no one is safe from the thieving, temperamental dragon Zorg and his strange brood. Allie and Jaxon will need all the ingenuity they can muster—as well as the help of Niji, the dragon foundling—to defeat the dark-winged Zorg and restore peace to Shi Shi Beach.
